Request For Continued Examination

1. The request filed on 04/02/07 for a Continued Examination (RCE) under 37 CFR 1.114 based on parent Application No. 10/828,336 is acceptable and a RCE has been established.

Reasons For Allowance

2. The following is an examiner's statement of reasons for allowance: Claims 1-24 are allowed at least for the reason that the prior art of record does not teach or reasonably suggest the structure of the multi-beam light source unit assembly used in a laser scanning apparatus, the light source unit comprising a laser diode unit for discharging a plurality of laser beams, a rotational member for supporting the diode unit and rotating to a substantially aligned position between a plurality of the laser beams, a fixing member for supporting the rotational member in a rotatable manner, a temporary joining part for maintaining joining status between the rotational member and the fixing member such that the rotational member rotates under elastic force, wherein the elastic force is increased when the rotational member is rotated for position alignment between the plurality of the laser beams, and a fixing part for fixing the rotated rotational member to the fixing member, as set forth in the claimed combination.

Claim 25 is allowed at least for the reason that the prior art of record does not teach or reasonably suggest the multi-beam light source unit comprising a laser diode unit for discharging a plurality of laser beams, a rotational member for supporting the

diode unit, said rotational member having a boss, and a fixing member for supporting the rotational member in a rotatable manner, wherein said fixing member includes a boss cavity and a plurality of elastic ribs on an inner periphery of the boss cavity for elastically supporting the outer periphery of the boss at a plurality of positions, as set forth in the claimed combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
